

Dr Kelvin Kwok

**Dr Kelvin Kwok** is a specialist colorectal surgeon with experience in all aspects of laparoscopic and open colorectal surgery.

Dr Kwok graduated from the University of NSW in 2001 and embarked on Basic Surgical Training at St Vincent's Hospital, Sydney. He completed his Advanced Surgical Training with positions in Gosford, Wyong, John Hunter and Concord Hospitals, and acquired his FRACS in General Surgery in 2008.

Subsequent to this, Kelvin completed a Master of Surgery degree at the University of Sydney in 2009. For his dissertation he studied the influence of anastomotic technique upon recurrence rates requiring repeat bowel resections in Crohn's disease.

He entered the Colorectal Surgical Society of Australia & New Zealand Post-Fellowship Training Program in Colon & Rectal Surgery and worked at the Austin Hospital in 2010 and the Concord Hospital Colorectal Unit in 2011.

Dr Kwok has a special interest in laparoscopic colorectal surgery in the treatment of colorectal cancer and inflammatory bowel disease.
