

Dr Mamta Bagia

Dr Mamta Bagia MBBS, M Med, Dip Pall Care Med, FRACP.

Dr Bagia is dual trained in Medical Oncology and General Medicine with the Royal Australasian College of Physicians. She has been a Medical Oncologist on the Central Coast since 2015 and is a VMO at both Gosford and Wyong Hospitals and Central Coast and Wyong Cancer Centres.

Dr Bagia's specific clinical interests include Breast and Gynaecological cancers, Head and Neck and Lung cancer, and Gastrointestinal cancers. She attends regular multidisciplinary meetings for each respective tumour group. She has been Principal Investigator on various Breast and Lung Cancer Clinical Trials and continues to take an active role in clinical trials and research through the Central Coast Cancer Centre Clinical Trials Unit.

Dr Bagia was appointed to the Royal Australasian College of Physicians National Examining Panel (NEP) in 2019 and has been a clinical examiner for the FRACP clinical exam since 2010.

Dr Bagia was the Head of Department for General Medicine at Royal North Shore Hospital and also Director of Training for the Northern Sydney Coastal Network for General Medicine Advance Training, from 2018-2022.

She was a panel member for the State-wide Health Education and Training (HETI) Advisory Committee from 2018- 2022 and an appointed member of the RACP Advance Training Committee for General Medicine from 2016-2020.

Dr Bagia completed her medical degree at Monash University, Victoria. She completed a 2-year fellowship at the NHMRC, as the Australasian Lung Cancer Clinical Trials Fellow. During this time, she also completed a Master's in Clinical Epidemiology at Sydney University and a Diploma of Palliative Care with the Royal Australasian College of Physicians.
