

# Dr Rita Poon

**Dr Rita Poon** MBBS (Syd), FRACS is a consultant surgeon at Gosford Private Hospital and Central Coast Local Health District with special interest and expertise in surgical oncology and the management of breast cancer, thyroid cancer, melanoma and sarcoma. After obtaining her medical degree in 1999 at the University of Sydney, Dr Poon completed her internship, residency and surgical training in Sydney hospitals before undertaking her specialty surgical training in the Gosford and Newcastle regions.

In 2009, she furthered her training as a Surgical Oncology Fellow at the Prince of Wales Hospital and then returned to the Central Coast as a consultant surgeon in 2010. Since then, she has continued to further her specialty skills and education in the fields of oncoplastic breast surgery at the Royal College of Surgeons England in London, the European School of Surgery in Paris and the European Institute of Oncology in Milan. She completed post-graduate diploma in Oncoplastic Breast Surgery (UK) in 2019. As a result, she has developed a passion for oncoplastic breast surgery.

Dr Poon professional memberships include the Royal Australasian College of Surgeons (RACS), Founding member of Breast Surgeons of Australia and New Zealand (BreastSurg ANZ), General Surgeons Australia (GSA), and the Australia and New Zealand Breast Cancer Trials Group (ANZBCTG).

Dr Poon is a consultant surgeon for Breast Screen Australia and examiner for RACS. Her special interest areas include:

- Oncoplastic Breast Surgery - breast cancer surgery with concurrent:
  - Direct to implant reconstruction
  - Insertion of tissue expander
  - Mastopexy
  - Mammoplasty
  - Lipofilling
- Thyroid and Parathyroid surgery
- Melanoma, Skin Cancers and Sarcoma
- General Surgery
