Gosford Private Hospital

Nurse Unit Manager-Surgical
Full-Time

Gosford Private Hospital is seeking a dedicated Registered Nurse to join our team as a full-time Nurse Unit Manager.

For more than 35 years Gosford Private Hospital has played a pivotal role in providing quality care to the Central Coast community as the largest and most comprehensive private hospital in the region.

With more than 129 inpatient beds, the hospital features nine state-of-the-art operating theatres and two endoscopy suites and is also home to the Central Coast's only private obstetric unit.

It offers a spectrum of general and advanced surgical services including orthopaedic, medical/oncology and cardiac services comprising Cath Lab, Critical Care Unit/Intensive Care Unit and rehabilitation facilities.

About the role:

As our hospital prepares to grow to 11 operating theatres and 144 inpatient beds, this role offers an exciting opportunity for an enthusiastic registered nurse to work collaboratively with our experienced consultants and the Gosford Private Hospital Leadership Team to deliver safe patient care. The Nurse Unit Manager-Surgical Ward will be responsible for commissioning our brand new 23 bed ward which will predominantly cater for Spinal Neurosurgical and short stay Orthopaedic patients.

Essential criteria:

- Current Registered Nurse with APHRA
- Minimum five years nursing experience
- Demonstrated experience in the use of professional knowledge and judgement in providing
- complex clinical care
- Highly developed interpersonal and communication skills
- Strong leadership skills
- Commitment to person centered care.

Applications close: Sunday 23 May, 2021
