

Endorsed Enrolled and Registered Nurses- (Perioperative, Anaesthetic, PACU services)

Following the completion of two new state-of-the-art operating theatres Gosford Private Hospital is offering talented and skilled nurses an exclusive opportunity to join the team which will deliver the future of perioperative care in the Central Coast region.

The facilities, which include a new purpose-built robotic theatre, outfitted with the \$3.5m da Vinci Xi Robot, positions the hospital at the forefront of perioperative services industry on the coast.

There are a range of permanent full time and permanent part-time opportunities for dedicated and skilled nurses to join the expanding perioperative services team at Gosford Private Hospital.

For more than 35 years Gosford Private Hospital has played a pivotal role in providing quality care to the Central Coast community as the largest and most comprehensive private hospital in the region. With more than 144 inpatient beds, the hospital includes eleven state-of -the-art operating theatres and two endoscopy suites, the hospital is also home to the Central Coast's only private obstetric unit. It offers a spectrum of general and advanced surgical services including a growing robotics program, orthopaedic, medical/oncology and cardiac services comprising Cath Lab, Critical Care Unit/Intensive Care Unit and rehabilitation facilities.
