

Central Coast Finance Manager

The Health Care Central Coast team are seeking experienced and dedicated Central Coast Finance Manager to join the team.

Health Care Central Coast offers the largest and most comprehensive private perioperative services in the region and has played a pivotal role in providing quality service to the community across Brisbane Waters, Gosford and Tuggerah Lakes Private Hospitals.

The successful applicant will be fulfilling a senior management role within the Central Coast Region (covering Brisbane Waters, Gosford and Tuggerah Lakes Private Hospitals) and is fully responsible for the financial management and accounting functions of the business.

About the Role

The Central Coast Finance Manager will be manage a highly motivated and experienced team delivering all aspects of month end reporting including P&L and Balance Sheet reporting, cash flow management, management reports, and in-depth analysis of business and financial performance including forecasting.

Key responsibilities include the provision of complete, accurate, reliable and timely financial reports to the CEOs and senior management, and to the Health Care Executive, CEO and Executive Directors as required. The role will also involve the development of financial strategies and budgets to ensure sustainable financial performance and the achievement of strategic goals.

The successful candidate will be able to develop and apply proactive risk management and compliance strategies – ensuring compliance with legislation, conditions of funding and the Australian Accounting Standards. Additional skills will also include the ability to effectively manage the Finance team to ensure that all tasks and KPIs are completed with accuracy and in timely manner.

Essential Criteria:

- Tertiary level accountancy qualification.
- CPA/CA qualification.
- Minimum five years' experience as a Senior Accountant or Finance Manager.
- Excellent knowledge and skills in the operation of computer based accounting systems.
- Demonstrated ability to work autonomously when required meeting deadlines and completing priority tasks.
- Well-developed organisational skills, with demonstrated ability to effectively manage time and set priorities.
- Excellent problem solving skills and attention to detail
- The ability to communicate complex information to all levels of the organisation.

Desirable criteria:

- Financial management experience in a health related industry, and in particular hospital based services (NFP, private) will be highly regarded.
- Experience in participation in Quality Improvement Activities

Applications Close: 28 January 2022.
