With 17 operating theatres and two Endoscopy Suites, Health Care Central Coast includes Brisbane Waters, Gosford and Tuggerah Lakes Private Hospitals.

Participants in the program will have the unique opportunity to immerse themselves in supporting the delivery of a range of general and advanced surgical services including orthopaedic, maternity, medical/oncology and Cardiac Services such as Cath Lab, Critical Care Unit and Intensive Care Unit through to rehabilitation and mental health services.

As part of the arrangement with TAFE NSW, Health Care Central Coast will fund the student fee component of the Diploma and following successful completion of the program and AHPRA registration, the candidate would be required to work at either Gosford Private or Brisbane Waters Private Hospitals for a minimum of two years.
